1. Humble memorial submitted by Y.Hoovaya Head master employed in the Fisheries School at Kaup in -- South Kanara District,

Most respectively showeth:-

1. That your humble memorialist joined the - - Fisheries Department as an Untrained Teacher in 1920 and was sent for Teacher's training at Mangalore as a stipendiary of the Department. After completion of his 2 years training he ~~xxxxx~~ rejoined the department as a trained teacher in 1924 as a confirmed hand on the - scale of 20-1-30. He was again called upon to undergo isheries training at Calicut in 1926. He had by then arned two increments and was getting his permanent -- ay at Rs.22-0-0 per mensem.

The other teachers who had undergone only the rdinary training at Mangalore and who were confirmed ith him in 1924 and who were not required to undergo pecial training at Calicut, were allowed to continue

in service without break and were getting their pay -- with increment while Memorialist had to undergo - - -- training at Calicut for a year on a monthly stipend of Rs.12-0-0.

3. After completing the course at - - Calicut, Memorialist rejoined his old post on 1-7-1927. But as he did not pass in the examination of the - - - special training in 1927, he was not allowed to draw - his pay and increment according to his previously - -- confirmed post and scale but was paid only at Rs.15-0-0 per month treating him as an ordinary untrained teacher seeking employment for the first time. When he passed the examination in 1928 he was treated as a new - - - trained teacher and was readmitted to the scale of - - 20-1-30 in utter disregard of his previous confirmation in 1924 and his 2 increments and ignoring the fact that others of his grade who had not the extra trouble of - undergoing Fisheries training, were getting 24/- in -- 1928 having earned 4 increments.

4. There were some other teachers who also suffered like this and when they moved the Benign Government, it was held in G.O.No.1065 Madras dated. 20-7-1934 that the method employed and the pay given - was not correct and the Government was pleased to - -- order that teachers who were appointed and confirmed - before the Madras Fisheries Subordinate Rules came into force could not be affected prejudicially by the - - - provisions therein laying down qualifications for the posts of teachers and the Benign Government was also - pleased to sanction their pay on the old scale from -- the date of ~~rejoining~~ rejoining after training.

5. The rules were x issued on 24-9-1929 and this memorialist was appointed and confirmed and -

admitted to 2 increments even in 1926 when he went for Fisheries Training at Calicut.

6. So, according to this G.O.No. 1065 M.S 20-7-193 Memorialist was clearly entitled to pay at least at Rs.22/- (if he is not entitled to earn increment during his course at Calicut) from 1-7-1927 with his annual increments. But he was paid only at Rs.15/- as stated in para 5 till 31-7-1928 and only at Rs.20-0-0 thereafter.

7. When this obvious injustice was brought to the notice of the Government in his petition dated 20-10-1934 the benign Government was pleased in the light of G.O. 1065 M.S. to direct in G.O.No.1433 M.S. devalopment dated 6-10-1935 that the Memorialist was entitled to pay and increment on the basis of his previous service. In the same order unfortunately it was held that his pay at Rs.15-0-0 from 24-6-1927 till 31-7-1928 was in order, perhaps under the mistake that it was the period during which this emorialist was undergoing Fisheries training at Calicut. In pursuance of this G.O.No.1433 M.S. the Government was pleased to sanction only Rs.78-0-0 the loss of increment from 1-8-1928 to 31-10-1931 ignoring his claim for the period 24-6-27 1-7-1927 to 31-7-1928 during which he was serving as a teacher and getting only Rs.15-0-0 per month.

8. It was by mistake that the Government held the payment at Rs.15-0-0 from 24-6-1927 till 31-7-28 to be in order, is patent from the fact that this order is in direct contravention of the order in G.O.1065/M.S. dated 20-7-1934 which clearly lays down that the teachers should be paid according to their confirmed scale of pay from the date of rejoining after the Fisheries training at Calicut. He had his turn of Rs.12-15-0-0 per month from 24-8-1926 1-7-1926 to 31-6-1927 while at Calicut and

after he rejoined and was on active service as teacher from 1-7-1927 to 31-7-1928 he ought to have been paid at Rs.22-0-0 instead of at Rs.15-0-0 if effect is to be given to G.O.1065 M.S. which has considered and discussed all aspects of the case.

9. Poor memorialist therefore humbly prays that the benign Government may be pleased to --- reconsider his case and give effect to G.O.No.1065 M.S. dated 20-7-1934 and order that his pay during the - - period 1-7-~~1926~~ 1927 to 1-7-~~1927~~ 1928 may be treated as Rs.22/- per month and the difference be paid to him so that he may get equal justice with those that were paid according to that G.O.

For which act of Justice and - - benevolence , the poor memorialist shall ever pray.

Humble memorial submitted by P. Kalappa, Headmaster, Polippu Fisheries School, K A U P P.O., S.Kanara.

Most respectively showeth:--

That your humble memorialist joined the Fisheries Department as an Untrained Teacher in 1922 and was sent for eacher's training at Mangalore, as a stipendiary of the Department. After completion of his 2 years' training, he rejoined the department as a trained teacher in 1925 as a confirmed hand on the scale of 20--1--30. He was again called upon to undergo Fisheries training at Calicut in 1926. He had by then earned two one increment and was getting his permanent pay at 21-0-0 per mensem

2. The other teachers who had undergone only the ordinary training at Mangalore, and who were confirmed with him in 1925, and who were not required to undergo special training at Calicut, were allowed to continue in service without break and were getting their pay with increment, while Memorialist had to undergo training at Calicut for a year on a monthly stipend of Rs. 12-0-0.

3. After completing the course at Calicut, Memorialist rejoined his old post on 1-7-1927. But as he did not pass in the examination of the special training in 1927, he was not allowed to draw his pay and increment according to his previously confirmed post and scale, but was paid only at Rs. 15-0-0 per month treating him as an ordinary untrained teacher seeking employment for the first time. When he passed the examination in 1928 he was treated as a new trained teacher and was readmitted to the scale of 20-1-30 in utter disregard of his previous confirmation in 1925 and his one increment, and ignoring the fact that others of his grade who had not the extra trouble of undergoing Fisheries training, were getting 23/- in 1928 having earned 3 increments.

4. There were some other teachers who also suffered like this, and when they moved the benign Government, it was held in G. O. No. 1065 Madras dated 20--7--1934 that the method employed and the pay given was not correct and the Government was pleased to order that teachers who were appointed and confirmed before the Madras Fisheries Subordinate Rules came into force could not be affected prejudicially by the provisions therein, laying down qualifications for the posts of teachers and the benign Government was also pleased to sanction their pay on the old scale from the date of rejoining after training.

5. The rules were issued on 24--9--1929 and this memorialist was appointed and confirmed and admitted to one increment even in 1926 when he went for Fisheries Training at Calicut.

6. So, according to this G. O. No. 1065 (N) .S. / 20-7-1934 Memorialist was clearly entitled to pay at least at Rs. 21/- (if he is not entitled to earn increment during his course at Calicut) from 1-7-1927 with his annual increments. But

he was paid only at Rs. 15/- as stated in para 3 till 31-7-1928 and only at Rs. 20-0-0 thereafter.

8. When this obvious injustice was brought to the notice of the Government in his petition, the benign Government was pleased in the light of G. O. 1065 M. S. to direct in G. O. No. 1433/M.S: development dated 6-10-1935 that the Memorialist was entitled to pay and increment on the basis of his previous service. In the same order unfortunately it was held that his pay at Rs. 15-0-0 from 24-6-1927 till 31--7--1928 was in order, perhaps under the mistake that it was the preiod during which this Memorialist was undergoing Fisheries training at Calicut. In pursuance of this G. O. No. 1433 M. S. the Government was pleased to sanction only Rs. 52-10-0 the loss of increment from 1--8--1928 to 20--12--1932 ignoring his claim for the period 1--7--1927 to 31--7--1928 during which he was serving as a teacher and getting only Rs. 15-0-0 per month.

8. It was by mistake that the Government held the payment at Rs. 15-0-0 from 24-6-1927 till 31-7-28 to be in order, is patent from the fact that this order is in direct contravention of the order in G. O. 1065/M. S. dated 20-7-34 which clearly lays down that the teachers should be paid according to their confirmed scale of pay from the date of rejoining after the Fisheries training at Calicut. He had his burn of Rs. 12-0-0 per month from 24.8.1926 (1-7-1926) to 31-6-1927 while at Calicut and after he rejoined and was in active service as teacher from 1-7-1927 to 31-7-28 he ought to have been paid at Rs. 21/- instead of at Rs. 15/- if effect is to be given to G.O. 1065 M. S. which has considered and discussed all aspects of the case.

9. Poor Memorialist, therefore, humbly prays that the Benign Government may be please to reconsider his case and give effect to G. O. No. 1065 M. S. dated 20-7-1934 and order

that his pay during the period ~~1-7-1928~~ 1-7-1927 to 31-7-1928 may be treated as Rs 21 per month and the difference be paid to him so that he may get equal justice with those that were paid according to that G. O.

For which act of Justice and benevolence the poor memorialist shall ever pray.

Sub:Education - Establishment - Teachers Y.Hoovayya and ~~xxKalx~~ P.Kalappa - Pay - Reduction owing to failure in the F.T.I. examination - Memorial for revision of orders.

--xx--

above I enclose the memorials to Government of teachers - - Y.Hoovayya and P.Kalappa dated 6-9-1939 and 8-9-1939 respect--ively.

2. The case of these teachers was dealt with in Asst. Director(Coast)'s letter No.7348-F/34 dated 6-11-34 disposed of in G.O.No. 1433 Ms. Development dated 16-10-35 - vide your Endt. D.Dis. 3293-G/34 dated 23-10-35. The revision of pay ordered in this G.O. was further given effect to in G.O.No. Ms 1577 Development dated 14-7-1937, communicated with your Endt. D.Dis. 3600-C/35 dated 17-7-37, in respect of Hoovayya, and in G.O.No. Ms. 2469 dated 6-10-1938, communicated with your Endt. D.Dis. 2502-C/38 dated 10-10-38, in respect of Kalappa.

3. Both the teachers rejoined duty in Fisheries schools on 1-7-1927 after leaving the F.T.I., Calicut and were treated as untrained teachers and paid at Rs.15/- per month until 31-7-28 for not passing the F.T.I. examination. In G.O.No. 1433 Ms. Dev., dated 16-10-35 Government have held that the fixation of pay for this period at Rs.15/- was in order. The cases of teachers U.Thaniappa and T.Muthappa, disposed of in G.O.Ms. 1065 Development dated 28-7-34 - vide your Endt. 215-C/34 dated 30-8-34 - were almost similar. In this G.O. Government held that the reduction of pay on account of failur in the F.T.I. examination was not in order in respedt of those who were appointed as teachers before the issue of the Statu--tory Rules for the Madras Fisheries Subordinate Service and cotninued as teachers after the issue of the Rules. The difference between the case of Thaniappa and Muthappa on the one hand and that of Hoovayya and Kalappa on the other is that while the former were in continuous service both before and after the issue of the Statutory rules before being trained at

he F.T.I., Hoovayya and Kalappa has their training at the F.T.I. before the issue of the Statutory Rules, ~~in~~ It is not known if Hoovayya and Kalappa were treated differently from Thaniappa and Muthappa on account of this.

4. In para 8 of his memorial Y.Hoovayya has ~~as~~ stated that he was paid Rs.15/- per month from 1-7-1926 to 31-6-37. He was admitted to the F.T.I. on 24-8-26 and rejoined duty as teacher on 1-7-1927. From 24-8-26 to 31-6-27 both Hoovayya and Kalappa were paid stipends at Rs.12/- per mensem. Another inaccuracy in Hoovayya's memorial is his request in para 9 that his pay from 1-7-26 to 31-7-27 may be treated as Rs.22/ per month. The correct period is from 1-7-27 to 31-7-28.

5. The two memorials may be submitted to Government for their orders.

Petitions from teachers Sri Y. Hanumayya and Sri P. Kalappa - Revision

The statements forwarded by the D.F. with his letter read above are not complete. If the two teachers are allowed to draw their permanent pay in the scale of Rs. 20-1-30 during the period from 24.6.27 to 31.7.28, this period will count for increment and consequently their pay will have to be refixed not only in the scale of Rs. 20-1-30 but also in the scale of Rs. 25-1-50 to which they were subsequently promoted. The Director is requested

Con: Considered that the fixation of pay of the teachers V. Hanumayya and Kalappa during the period from 26.6.1927 to 31.7.1928 at Rs.15/- per mensem was in order. These two teachers have now submitted petitions for reconsideration of the said

the D. F. has no recommendation to make on behalf of the petitioners.

2. The petitioners were recruited as untrained teachers (one in 1920 and the other in 1922), underwent ordinary training and completed it successfully in 1924 and 1925. They were then confirmed and allowed pay as for trained

teachers (Rs 20-1-30) up to 24.8.26 when they were deputed for training in the Fisheries Training Institute, Calicut. They returned from the training on 24.6.27 but as they did not pass in the final examination at the end of the course and passed only in 1928, they were allowed to draw from 24.6.27 to 31.7.28 a pay of only Rs. 15 p.m. as untrained teachers. The question whether this reduced pay allowed by the D.P was in order or not was examined in 1935. The Pub(Edn) Dept. held that as petitioners were already certified Lower Elementary grade teachers on Rs. 20-1-30 and had been confirmed their pay should not have been reduced to Rs 15 p.m. and that they ought to be paid at Rs 20-1-30 on returning from training in 1927. But the Finance Dept. considered that the order fixing a reduced rate of pay might be taken as a penalty for non pass, the examination and that there was nothing against imposition of such penalty by an executive order

It was also noted that a similar rate would have been allowed in a large number of cases and that it was not necessary to undertake reconsideration of all these cases. The Jun. Dept's view was accepted

It now reported that these two petitioners were the only teachers who were paid at reduced rate of pay for failure to pass the J.T.I. examination. Under the orders issued in G.O. No. 1065 Dev. dt 28.7.34 they can also be deemed to be eligible for a pay of Rs. 20-1-30 for the period from 21.6.27 to 31.7.28 instead of Rs. 15/- they (N) paid to them. As the however underpayment relates to a distant period viz. 1927-28 it is for consideration whether the request of the petitioners will be reconsidered, and if so the case may be sent to Pub(Edn) and Juriana for remarks

last sentence in the D of W (N)

By G.O. 5/1/40. 15.1.40.

There is hardship in such cases and as the petitioners were trained, though not trained in the Jeypore Training School, and were permanent drawing Rs 20-1-30 actually before they were deputed for the Spl Training, they may be given the permanent scale after their return from the J.T. Institute

2. In this department's note at pp.14-16 of G.O. No.1433, Dev. dated 16-10-35 the view was taken that the petitioners having been Certified Lower Elementary grade teachers on Rs.20-1-30 and confirmed as such before deputation for training at the Fisheries Training Institute, Calicut, their pay should not have been reduced to Rs.15 for the period from 24-6-1927 (date of return from training) to 31-7-1928 (date of passing the Fisheries Training Institute examination). The Finance department did not agree with the above view for the following reasons:-

(1) that prior to the issue of the Madras Fisheries Subordinate Service Rules the fixation of pay of teachers who underwent the course of training at the Fisheries Training Institute, Calicut, but who did not pass the examination was regulated by executive orders and that there was no statutory objection to the competent authority fixing the pay of the petitioners at Rs.15 per mensem for the period from 24-6-27 to 31-7-28,

(2) that the order fixing the reduced pay of Rs.15 might as well be taken as one imposing a penalty for not passing the examination, and

(3) that it is possible that a similar rate of pay has been allowed in a large number of cases and that a reconsideration of all these cases would be unnecessary.

It is now reported that the petitioners are the only persons who were allowed the reduced rate of pay. In

In view of this and of the orders in the last sentence of G.O. No.1065, Dev. dated 28-7-34, Development consider that the petitioners should be allowed their permanent pay - i.e., Rs.20-1-30. during the period in question

3. Submitted that this department need not object to the petitioners being allowed their permanent pay during the period from 24-6-27 to 31-7-1928 if Finance have no objection. The file may be passed on to Finance

The note of this dept. on pages 18-21 of G.O. 1433 Dev. dt. 16.10.35 explains fully the case. In that note this dept. held that there was nothing irregular in having allowed a pay of Rs 15 to Sri Haovayya and Sri Kalappa from 24.6.27 to 31.7.28 during which period they had not passed the examination held in the Fisheries Training Institute, Calicut.

The above two officers now represent that some other teachers, who

had also failed in the examination were allowed their regular pay without any reduction with reference in G.O. 1065 Dev. Dy 28-7-34 (Vide last sentence of the G.O.) Development and Public now consider that, in the circumstances, the petitioners also may be allowed to draw their permanent pay during the period in question.

2. The proposal involves a payment of arrears of pay at Rs 7 p.m. to Sri Hoovayya and at Rs 6 p.m. to Sri Kalappa for the period 24.6.27 to 31.7.28 .. of about Rs 171 in all.

It is stated that the orders in G.O. 1433 Dev. Dy 16.10.35 were in partial modification of the previous orders in G.O. 1065 Dev Dy 28.7.34. Though the latter G.O. directed that such teachers should be allowed to draw the pay to which they were eligible with effect from the date of rejoining their appointments in the Fisheries Training Institute, the Director of Fisheries specifically reported in January 1935 that the pay of Rs 15 allowed by him to the two teachers in question was in accordance with

the then established practice. ~~He did not~~ So But, it is observed from the Service books of two other teachers, T. Muthappa and V. Thaniappa, who had also failed in the F.T.D. examination, that no such reduction was made. They were allowed the pay they were drawing previously with reference to G.O. 1065 Dev. 8/28.

~~No direction has been given~~ ~~why the pay of~~ ~~these two teachers~~ ~~has been~~ ~~differently treated~~ ~~in accordance with~~ ~~the established practice~~ Another teacher, Sri K.M. Menakan was also allowed the benefit of the G.O.

Para 2 on Pg 23.2.G CF

Submitted that as only Sri Hoovayya and Sri Kalappa seem to have been allowed pay at a lower rate till the passing of the T.D.D. examination, it is for orders whether this Dept. may now agree, as a special case, to the two teachers also being allowed to draw their permanent pay from 24.6.27 to 31.7.28

The Pub (Sch) and Finance have agreed to the petitioners, Hoorayya and Kalappa, being allowed their permanent pay, viz. Rs 20-1-30, during the period 24.6.27 to 31.7.28 when they were paid only Rs 15. p.m. As a result of this the above period will count for increments in the scale of Rs 20-1-30 and the pay drawn by these two teachers with reference to G.O. 1433 Dev. dt 16.10.35 from 1.8.28. as Lower Elementary grade teachers will require revision. The pay in the Higher Elementary grade posts to which they were subsequently promoted would also require revision. The D.F. may be asked to report what changes will be necessary and what arrears will become payable to the petitioners. A draft O.M. is submitted for approval

With reference to the note at p.9 above, the D.F. was asked to report what arrears would become payable to the petitioners, Sri. Boorayya and Sri Kalappa if they were to draw their permanent pay during the period from 24.6.27 to 31.7.28 ~~what changes would be necessary in their pay~~. The Director reports that the amount of arrears payable to ~~Sri~~ Sri Boorayya and Sri Kalappa works out to Rs. 313.13.0 and Rs. 330.7.0. respectively. ~~The Govt. will also have to be approached~~.

It is for orders whether the amount of arrears due on account of grant of permanent pay to the petitioners for the period from 24.6.27 to 31.7.28 will be allowed and their pay refixed in the Higher Elementary Scale.

(Previous note of Finance on pages 6-8 ante)

In the above note the proposal of Development to allow the two teachers Sri Hoovayya and Kalappa to draw their permanent pay for the period 24.6.27 to 31.7.28, when their pay had been restricted to Rs 15 for having failed in the T.T.S. examination was accepted.

As a consequence of the above, the period 24.6.27 to 31.7.28 would count for increments in the scale of Rs 20-1-30 and the teachers' substantive pay on the dates of their promotion to the scale of 25-1-50 (Hoovayya was promoted on 2.11.31 and Kalappa on 2.12.32) would be higher necessitating the revision of the initial pay in the higher scale. The Director of Fisheries has reported that the total arrears of pay to be paid to Hoovayya will be Rs 313-13-0 and to Kalappa Rs 330-7-0 up to the end of May 1940 Development propose to disburse the full arrears

2. It is submitted that the revision of pay with long retrospective effect should not involve the payment of large amount as arrears of pay in respect of several years. According to G.O. 1433 Dev. Dy 16.10.35, the reduced pay of Rs 15 allowed

to the teachers during the period 24.6.27 to 31.7.28 was in order. This dept. however agreed on page 8 ante to allow them substantive pay, which is higher, for the period as only these two teachers had drawn less pay while others in similar circumstances, had been allowed to draw substantive pay. It seems that this should not vomit the payment of arrears ~~of~~ for all the subsequent years. In the circumstances, it seems that the payment of arrears may be restricted to a period of one year prior to 6.9.39 in the case of Hoovayya and 8.9.39 in the case of Kalappa in accordance with the usual practice

Fin Their previous note at 6-8 above, the Fin. Dept. agreed to allow the two teachers, Sri Y. Hoovayya and Sri P. Kalappa to draw their permanent pay for the period from 24.6.1927 to 31.7.1928. The amounts involved are ~~small~~ Rs. 92 and Rs. 79 respectively

This dept: pointed out that as a result the period from 24.6.1927 to 31.7.1928 would count for increment and that the pay of the teachers would have to be refixed in the scale of Rs 20-1-30 and also in the scale of Rs 25-1-50 to which they were subsequently promoted. On this basis, the total arrears of pay payable up to the end of E.M. May 1940 have been worked out by the D.E. at Rs 313-13-0 in the case of Venkatarayya and Rs 330-7-0 in the case of P. Kalappa. It was proposed in this dept: that these arrears might be paid in full. The Fin: Dept:, however, now suggest that the payment of arrears may be restricted to a period of one year prior to 6.9.39 in Narayya's case and 8.9.39 in Kalappa's case. If this is done, Narayya would get Rs 19/- and Kalappa Rs 23, as against Rs 92/- and Rs 79/-, respectively as previously agreed to by the Finance Dept. In this connection, attention is solicited to Proc. No. 1577 (M.S.) Dev. Dt 16.7.38 and No. 2469 (M.S.) Dev. Dt 6.10.1938 in which the petitioners were granted, as a
